National AudioVisual Center

. . . a public service of your government!

The National AudioVisual Center was created in 1969 to make audiovisual materials produced by the United States Government available for public use and to serve as the central clearinghouse for all Federal audiovisual materials.

Distribution Services

Most major audiovisual formats are available from the Center for use by schools, libraries, institutions, industry, and the general public.

Purchase • Rental • Loan Referral

Motion Pictures • Slides • Filmstrips • Audiotapes
Videocassettes • Sound/Slide Sets • Multimedia Kits

Information Services

Listings of over 9,000 titles from more than 150 Federal agencies are continuously updated in a wide variety of subjects of current interest.

Reference • Catalogs • Master Data File

Education • Science • Social Studies • Vocational/Technical
Medicine • Dentistry • Allied Health • Safety • Business
Industry • Space Technology • Engineering

Government

Audiovisuals

For You!

Dear Colleague:

The National AudioVisual Center, a public service government agency, has thousands of audiovisual materials appropriate for your use.

☆ Educational

☆ Informational

☆ Technical

☆ Professional Training

This special listing of audiovisual programs has been quickly selected from our computer data file of over 9,000 titles. The format of this listing was chosen to expeditiously get this information in your hands; within the year you can expect our formal catalog.

Please take a moment to glance through the listing. I'm sure you will realize that the exceptional content, quality, and low cost of these materials--developed by the United States Government over the last few years--can substantially contribute to the effectiveness of your programs.

Once you've made your selection just use the convenient postage-paid order form for your preview, rental, or purchase request. Send it today--we will be happy to promptly fill your order.

Sincerely,

JOHN J. BARTA
Chief, Marketing Branch
National AudioVisual Center

How to use this select list

The titles selected for listing in this special category are listed alphabetically for easy access. Where further breakdown would be helpful a subject index has also been provided.

The entry contains all the information pertinent to a particular title. The example below details the components of an individual title entry.

Example:

National AudioVisual Center
